SUPERVISORS HOLD ADJOURNED MEETING

The Board of Supervisors met in adjourned session Monday, June 8, there being present William H. Brown presiding, Jas. T. Casey, John MacBain and Jos. M. Francis. Absent, D. E. Blackburn.

D. E. Watkins, secretary of the California Automobile Association addressed the board, stating that his association was placing sign posts on the county roads throughout the state, which work it was desirous of introducing into this county. The association would paint the signs and place them on the roads and all they ask was that the county furnish the material to construct the signs and posts, which would cost in the neighborhood of $500.

It was ordered, on motion of MacBain, seconded by Casey, that the county contribute $500 to carry out the undertaking.

The allegation of the South San Francisco Board of Trustees, presented at the last meeting, that the fill for the extension to Linden avenue, which road is now under construction by the county, was not high enough to clear the winter flood waters, was taken up.

Surveyor Neuman stated that in his opinion the fill was of sufficient height.

F. A. Cunningham and W. H. Coffinberry supported the position taken by the city trustees.

Surveyor Neuman estimated the cost of an additional fill of one foot at $2043. MacBain advised that the cost be assumed by Supervisor Casey and South San Francisco.

Casey offered to pay half the cost and he moved that the remaining half be paid out of the county General Fund. The motion was seconded by MacBain and carried.

A communication addressed to Supervisor Brown by Mrs. Harry S. Dana and other ladies of the Second township, calling attention to the distressed condition of Mrs. Vowell of the Homestead and recommending her as worthy of the board's assistance, was read by the clerk.

The communication was filed and it was ordered, on motion of MacBain, seconded by Casey, that Mrs. Vowell be allowed $7 monthly, in addition to her present allowance.

A communication, addressed to Supervisor MacBain by Mrs. Caroline H. Robinson, called attention to the distressed condition of Mrs. Springer, residing in Redwood City, the mother of five small children, and whose husband is unable to earn a livelihood for his family.

The communiaction was accepted and it was ordered on motion of MacBain, seconded by Brown, that Mrs. Springer be allowed $25 monthly until further notice.

MacBain called attention to the destitute condition of the Garcia family, mother and five children, who are at present in Palo Alto and will shortly be returned to this city. He was delegated to confer with Judge Buck in the matter and returned with the information that Mrs. Garcia was desirous of moving to Siskiyou, the Judge suggesting that her expenses be paid by the board.

The matter was placed in Mr. MacBain's hands, he being authorized to make such arrangements as were necessary for the removal of Mrs. Garcia and children.

A resolution, presented by District Attorney Swart, was adopted on motion of Francis, seconded by Casey, establishing the awards allowed by the viewers for the change in the right of way of the county road between Halfmoon Bay and San Gregorio.

Chairman Brown made a partial report of his conference with the State Highway Commission, regarding the completion of the road between Beresford and Redwood City, for which the right of way is still complete.

C. M. Doxsee, on behalf of the Union Savings Bank, presented a map of Tract No. 2 of Edgemar, located in the First township, which was adopted by resolution on motion of Casey, seconded by MacBain.

J. L. Brown called attention to the failure of the owners of the Mission Tract at Daly City, in platting their land, to provide cross streets, which omission would hereafter cause great expense to Daly City. He suggested that in future all such maps be scrutinized by the Surveyor.

Theodore J. Knutzen presented an application for a Class A liquor license at Marine View which will be acted upon at the first meeting in July.

Tax and License Collector McSweeney reported collections as follows to date: State and county taxes, $2620.15; Menlo Park Sanitary District, $17.18; Lomita Sanitary District, $3.69; sale of property for taxes, $76.50.

The following claims were allowed from the Highway Bond Fund:

M. B. Johnson	18.15
Geo. L. Perham	30.80
E. M. Moores	18.00
H. C. Tuchsen	21.25
Wm. A. Moore	31.00

Adjourned to Monday, June 15th.

Miss Frances Taylor of San Francisco is the guest of Miss Lucile Holden.

BELMONT P. O. LOOTED; OVER $2000 STOLEN

One of the most daring robberies ever committed in this county was perpetrated at Belmont at an early hour Tuesday morning. Four men in an automobile drove into town and seizing the railroad gate-keeper, William Anker, aged 62, bound and gagged him. They then broke open the railroad toolhouse and obtained a number of tools with which they forced an entrance into W. A. Emmett's store in which the post office is located. The safe was blown open and nearly $2000 in checks, postage stamps and money orders was taken.

About 3:45 o'clock, Mrs. Maggie J. Archibald, wife of a Belmont hotel keeper, heard the muffled cries of Anker, who had succeeded in partly removing the gag from his mouth. Mrs. Archibald aroused members of the household, and investigating, they found the imprisoned gateman. A further inspection disclosed the open door at the Emmett store and the demolished safe. Postmaster Emmett was summoned and he immediately notified Constable Sheehan of San Mateo, Sheriff J. H. Mansfield and Postal Inspector William Madeira in San Francisco.

The automobile in which the thieves rode was found early in the day on the Bay shore road where it had been abandoned by its occupants. It proved to be the property of John O. Gantner, the San Francisco merchant, who is occupying the residence of C. D. Hayward in Redwood Highlands. The machine was stolen during the night The number had been removed.

The officers of this county and San Francisco are searching for the robbers. Mrs. Gantner, whose automobile was stolen is not confident that she can identify the men. She says she saw them around the garage at her residence, acting in a suspicious manner. Two of them were elderly and the third a young man.

$20,000 TO BE RAISED FOR COUNTY CATHOLIC BUILDING.

A campaign to raise $20,000 for the completion of the home of the San Mateo County Catholic Club at San Mateo, is under way and those in charge expect to realize this sum within the next three months.

Plans for a magnificent two-story structure, 130 by 150 feet, have been accepted from Will Shea, a prominent San Francisco architect, and the site, formerly a part of the Lee estate, opposite the San Mateo highschool on Baldwin and Griffith avenues, has already been paid for with $11,000 raised by Knights of Columbus throughout the county.

A Harvest Carnival, along church fair lines, will be held at San Mateo in September in connection with this campaign. The booths, one or more from each county town, will be under the supervision of ladies from the respective places and the large oak-covered site on Baldwin avenue will be converted into a tent city to insure space for the many attractions to be shown. Prominent and promising among those will be a flower show under the management of Frank P. Roach of Menlo Park. The best talent obtainable will be on hand nightly to entertain visitors and a grand ball at the Peninsula Hotel will close the carnival.

The committee furthering the campaign will have personal charge of all managment details, thereby insuring to subscribers, advertisers and other patrons that what is collected will apply to the cause it is intended for only, and no percentage of the receipts will find its way to promoters, as is the prevailing custom in like affairs.

The peninsula has been divided into districts and the managers of these districts are: Edw. J. Tobin, Hillsborough; Jos. B. Ruegg, San Mateo; Bernard I. Bill, San Bruno; Ambrose McSweeney, South City; Jos. J. Hahir, Redwood City; Harry B. Morey, Menlo Park, and Theodore P. Murphy, Palo Alto.

Meeting of County Center.

A meeting of the San Mateo County Center was held at the Woman's clubhouse in Redwood Highlands Tuesday afternoon. M. B. Johnson gave a splendid talk on the County's Needs and brought out many pertinent suggestions. Tax Collector McSweeney addressed the assemblage on County Taxation. A number of out of town people were present and the meeting was highly instructive.

PUSH RETORATION OF GYMNASIUM

The general contract for remodeling the Horace Hawes gymnasium, for which bids were opened May 28th, was awarded to Donnelly & Waller, M. E. Ryan was the successful bidder for installing a new electric lighting system. Work was commenced last week, and it is expected that the building will be in readiness by the 19th instant, when the graduating exercises of the grammar school will be held there.

The plans include the remodeling of the stage, which will improve the very poor accoustic properties and the addition of dressing rooms at each end of the stage. A room 60x73 has been partitioned off from the main building, to be used by the boys in gymnasium work. The showers, lockers, etc., will also be put in good condition and a room 14x20, provided for cards and reading. A general public reading-room for men has also been provided, which may be entered without passin through the main building. The roof will be made water-proof and the interior and exterior of the building given a coat of white paint.

The committee is taking active steps to establish a kindergarten, and they hope that the funds on hand will warrant their turning the now unsightly grounds surrounding the building into a public play ground with a trained social worker in attendance. When complete this will provide a social and civic center for the young people of all ages.

Prof. Carrington, whose artistic ability is well known, has tendered his services and is painting a large drop curtain and scenes for the stage. Others who have made this work possible so far by liberal donations are:

The County Board of Supervisors, high and grammar school boards, Town Trustees, Mrs. Whitelaw Reid of Millbrae, Prof. Lillian Martin of Stanford University, Miss Ethel Cooper of San Francisco, Mr. Alfred Marcus of Menlo Park, and Mrs. George Lent and Mrs. C. E. Cumberson of Redwood City.

The committee of women having the plans and work in charge will be very grateful for financial support in their good work. The members of the committee are:

Mrs. David E. Graham, Mrs. James A. Robinson, Mrs. Charles E. Cumberson, Mrs. Arthur M. Porter, Mrs. Timothy Guy Phelps, Mrs. M. Howard.

AUTOMOBILE TURNS OVER; WOMAN PAINFULLY HURT.

A Buick roadster, driven by G. W. Fisher of 775 Sanchez street, San Francisco, turned a complete somersault in the Portola road near Woodside Sunday afternoon at about 4 o'clock, alighting right side up, with the only injury to the machine a battered shield. In the car with Fisher was his wife. Both occupants were thrown to the ground, Mrs. Fisher sustaining serious injuries which necessitated her removal to the Peninsula hospital at Palo Alto, where she remained unconscious until Monday afternoon. There are hopes for her recvery.

It develped that Fisher was driving his car at a moderate rate of speed and near the Family Club at Woodside turned to the side of the road in avoiding a team. The road at this point falls away in a sheer slope, and the ground at the edge of the highway being soft it gave way, precipitating the car and its occupants into the road. Mr. Fisher sustained no serious injuries.

Publicity Committee at Work

The publicity committee of the Board of Trade is at work formulating plans for a campaign of local advertising and at the board meeting next Tuesday will make its report. The business men are responding liberally for the cause.

The dyke enclosing the reclaimed marsh land of the Tacoma Mill Company gave way on account of the extremely high tides last week and the property was flooded, causing a heavy loss.

Large tract of land in southern Oregon now open for settlement. Good climate, rich soil, irrigation unnecessary to raise the finest crops. For large map and full information and instruction, send $1.50 to John Keefe, Corvallis, Oregon, two years a U. S. surveyor and timberman. An opportunity to get a good fertile, free homestead, near small town and railroad. adv't

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

A SPLENDID RECORD.

After reviewing the public and private life of Judge John D. Murphy, of Mono county, who is a candidate for Associate Justice of the Supreme Court of California, it is manifest that he is one of the best men who ever aspired to the office.

Self made is Judge Murphy. He was born in this State and began active life at the age of sixteen as a hard working boy. By the labor of his hands he earned the money necessary to enable him to be graduated from the University of California in 1887. He selected the law as his profession and made good. His county elected him District Attorney, and afterward, in 1902, Superior Judge, a position he has filled continuously since with such signal ability as to attract attention at the hands of the Executive, the Bench and the Bar of the commonwealth from northern border to southern line, from the mountains to the coast.

He has the record of having sat in more cases outside his own county than any other similar official in the State. He has tried important actions in Alameda, San Francsico, Los Angeles, Fresno, Sacramento, Trinity, Contra Costa, Butte, Yolo, San Mateo, Inyo and Lassen. In all he has been universally comended by members of the bar, other judges and parties litigants for the soundness of his rulings and the equities of his judgments.

In addition to having been chosen to sit in important cases at the instance of the Governor, last fall Judge Murphy was designated by the Supreme Court to act for a term of three months as one of the judges of the First District Court of Appeal, and while serving in this capacity his wrtten opinions attracted widespread attention because of their depth of legal knowledge, fairness and well balanced judgment.

While performing this work he has not neglected his own county by any means, for his calendar is clear, the business of his court in hand and its work in a high state of advancement.

With a public record for efficiency, alertness and ability, a private character unassailable, with all the attributes that go to make the sterling citizen and the just and competent judge, this citizen of the State presents qualification second to none and the equal of all, and in the non-partisan contest that will take place next November will undoubtedly be California's choice for membership in its supreme tribunal

AN IMPORTANT QUESTION.

Comparatively few of the voters of the State realize the importance of the coming fall election upon the personnel of our State Supreme Court. Only once in twelve years, except under circumstances rarely occurring, are three of the seven justices constituting its membership elected at the same time. Realizing the necessity of securing uniformity in the d ecisions of our Court of last resort, the constitution of the State very wisely provides that but two of the associate justices shall be elected at any one time, and that the periods of such election shall be four years apart, thereby assuring the continuance of at least four of the Court as constituted before the election, in office after the election has passed. These four, together with the Chief Justice, insure the stability which it is one of the aims of this regulation to accomplish. But every twelve years the Chief Justice must be elected and this is one of the years in which this necessity occurrs. The importance of this event and the need of carefully looking into the qualifications of the candidates for this important office, must therefore be clearly apparent.

Chief Justice W. W. Beattie who has served the people of this State so ably and well for twenty-four years, is retiring at the end of this year, he having declared he is not seeking reelection. In Associate Justice Frank M. Angellotti, who as such, has been closely associated with the present Chief Justice throughout the last eleven and one half years, we believe the people of this State have a fitting successor to Judge Beatty. Justice Angellotti has announced his candidacy for Chief Justice and we are pleased to lay his qualifications before our readers.

Born in San Rafael, Marin county in 1861, Justice Angellotti was educated in the public schools of California; he graduated from Hastings College of the Law in 1882 and practiced law in San Rafael. In 1885 he was elected District Attorney of Marin county, and was re-elected to that office for the two preceeding terms, ending in 1890. In the latter years he was elected Superior Judge of Marin county for a six year term and in 1896, was re-elected with the endorsement of all parties.

Upon the expiration of his second term as Superior Judge, Justice Angellotti became in January 1903, an Associate Justice of our State Supreme Court, having been nominated at Sacramento, and elected on the Republican ticket with a majority of fifty thousand votes. During the past several years he has been the presiding Justice of Department One of the Supreme Court, a distinction which the Court itself confers upon one member of each Department. It will be readily seen that from the standpoint of training and experience, for this, the highest judicial position in our State, Justice Angellotti is pre-eminently fitted.

As a member of the Supreme Court, Justice Angellotti has earned a deserved reputation for industry, learning, courtesy and ability and he is receiving widespread and enthusiastic endorsement, irrespective of party in all parts of the State.

Among his friends and associates Justice Angellotti is uniformly known as considerate and courteous, his kindness to the younger member of the Bar being particularly noticeable. He is prominent in fraternal circles, and is a man of unquestioned honesty and uprightness of character, and his public and private life has ever been above reproach.

Judges will be elected this year as non-partisans. In the primary election in August the names of all the candidates for judges will appear on the ballot, and where there are only two running at the primaries for a judicial office as apparently will be the situation in the case of the Chief Justiceship, the name of the candidate receiving the most votes at the primary, will alone appear on the ticket at the November election from which it will be seen that the August primary election is very likely to practically determine the final rseult

To the voters of our State who value honesty and integrity combined with long, able and efficient service in so important a branch of our Government as the State Supreme Court, we most heartily recommend the candidacy of Justice Angellotti and feel that in him we would have a most worthy and able successof to Judge Beatty.

SHORTRIDGE FOR SENATOR.

Samuel M. Shortridge has entered the fight for United States Senator in earnest and is receiving strong encouragement from one end of the State to the other. He has already been endorsed from Yreka to San Francisco.

He is by far the ablest thus far mentioned for this high and important office. If he should be elected senator we would be very ably represented in the halls of congress and California would immediately take a prominent position. He has no equal as an orator in this State and his fame would quickly spread.

He has spent the best part of his life in this State and has labored hard and faithfully to promote the best interests of the State and its people. Whenever the State needed a champion, Samuel Shortridge has always responded to the call. We have known him from the time he first began to practice law and it affords us pleasure at this time to lend our endorsement to his candidacy.

For over thirty years he has canvassed the State for the Republican party at his own expense and this is the first time he has asked for an office.

Samuel Shortridge is a man of brains, character, loyalty and unquestioned ability in every sense of the term. The people of this State would do themselves proud in sending him to the U. S. Senate.

His platform is his past record. He says he is opposed to making a "sack campaign for two reasons first, he has no sack to make such a campaign with, and, second, he is opposed to it on general principles."—Oroville Mercury.

A STRONG ENDORSEMENT.

At the next general election there will be eight judges of the Superior Court to be elected in San Francisco. Among the candidates mentioned for that office we notice the name of Joseph E. O'Donnell, who has, during his active practice of the law for more than twenty years, been well and favorably known to the editor. Mr. O'Donnell was born in San Francisco of pioneer parents, his father, Michael O'Donnell having been a resident of that city from the year 1851 up to the time of his death in 1905.

After a course in law at Hastings College of Law, Mr. O'Donnell was admitted to the bar of the Supreme Court of this State in 1888, since which time he has distinguished himself in many important cases, notbaly, the McDevitt will contest, the Gallagher will contest and as special counsel for the City and County of San Francisco.

Mr. O'Donnell has been singually honored in being selected by the Bar Association of San Francisco as one of the eight candidates endorsed by it this year, and there is no doubt that his popularity and ability will bring him the endorsement of a majority of the people and place him where he belongs, among the judiciary of the State of California.

Divorce Action on Trial.

The divorce suit of G. J. McGregor against his wife Emelie McGregor began in the Superior Court yesterday and will be resumed this morning at 9:30 o'clock. Mr. McGregor and his wife were on the witness stand nearly all day. Mr. McGregor is the mayor of Burlingame and he and his wife have been prominent in the social affairs of that city for some time. The case will be submitted to the Court this morning. Ross & Ross represent plaintiff, and Attorney Barry (of the firm of Sullivan and Sullivan and Theodore Roche, of San Francisco) represents Mrs. McGregor.

H. S. Sears suffered a slight stroke of apoplexy Tuesday and was taken to his home. Yesterday he was somewhat improved and it is believed he will soon recover.

The First Principle
Of the Salaried Man Should Be—
TO SAVE

It is possible that luck may play an important part in the quick making of fortunes, but it has nothing to do with fortunes accumulated from the savings of labor.

A bank account, however, will be of assistance and the young man or woman who will take this method of saving from his or he salary will eventually reach the desired goal.

This bank welcomes the accounts of those people who are working on salary and have a desire to save a part of it, We pay 4%, compounded every six months.

There are a great many Beers brewed throughout our country and put upon the market under the brand of "Bohemian." For the purpose of individualizing our product and also for the reason to link it closer to the name of our plant, we have decided to re-christen our popular "Bohemian" and call it plain "Buffalo Lager."

On April 1st of this year our new Bottled Beer will be put on the market dressed in the New Label. It is our endeavor that the new label shall represent extreme care in brewing and expert inspection at every stage of production from the raw material to the packing for marketing. Only the best materials are used for the manufacture of "Buffalo Lager," which coupled with up-to-date methods in the art of brewing will present to the beer drinking public a Table Beer "par excellence."

We thank you for the many past favors received at your hands and sincerely solicit the continuance of your patronage.

Neuman Responds to Duty.

James V. Neuman, the popular county surveyor, has finally consented to become a candidate for his present position. The constant urging of his many friends throughout the county has had its effect and he has decided to cast his hat in the political ring. There is hardly any doubt of his election. The present road construction under the bond issue commenced by him makes it imperative that he be re-elected to complete the work. He has devoted all his time and energy to this road building, neglecting his private work in order that the county might receive the benefit of his experience and ability. Mr. Neuman is making a big sacrifice as the paltry salary attached to the office of surveyor is not commensurate with the work he is doing. He is willing to make the sacrifice in order that the highways now under construction may be completed. Mr. Neuman's friends will be pleased to learn of his intention to become a candidate.

David Crabtree who read the beautiful and touching burial service of the Episcopal church. Besides Kenneth Murray the deceased has a brother, Robert Murray residing in Oakland. A number of old friends followed the remains to their last resting place in Cypress Lawn cemetery.

The estate consists of a lot in San Francisco valued at $200 and the Styan home at the Homestead, near San Mateo, valued at $6000. The entire value of the estate is less than $10,000. W. E. Styan was named as sole executor under the terms of the will but he has refused to serve. The will bears date of August 6, 1913. The petitioner is the wife of the deceased and the legatees and devisees are the petitioner and W. E. Styan, of Quincy, Plumas county.

Leo Mund has applied in the Superior Court for letters of administration upon the estate of Eugene Froment, who died on Julg 1, 1890. The value of the estate is placed at $50. The heir at law is the wife of the deceased. Hoefler & Morris of San Francisco are the attorneys for the petitioner.

New Actions in Superior Court.

Neil Emmet Gillies and others have brought suit in the Supreior Court against Julia Peterson to recover the sum of $450 for services rendered and labor performed for defnedant during the last two years. Plaintiff also asks for interest and costs of suit.

Joseph B. Gordon has commenced an action in the Superior Court against the San Mateo Creamery to recover the sum of $351.30 for services rendered and labor performed by Chris Rowland during the past two years. Rowland some time ago assigned the claim to plaintiff who asks for his costs of suit and interest at the rate of 7 per cent per annum.

Dennis C. Brown, blacksmith of San Mateo and brother of Supervisor William H. Brown, filed suit in the Superior Court Thursday morning against James A. Lee and Mary Josephine Lee, asking judgment in the sum of $10,789.83 for moneys advanced and services rendered as manager of the Lee estate in San Mateo. He also asks for interest from April 1 and costs of suit. His attorney is Leander L. James Jr. The complaint alleges "that defendants are indebted to plaintiff in the sum of $4,789.83 for the balance upon a mutual, open and current account for money paid, laid out and expended by palintiff to, and for the use of, the defendants at their special instance and request," between September 1, 1910, and April 1, 1914. For a second cause of action, the complaint states tha within the past two years "plaintiff, at special instance and reques of the defnedants performed services as manager of the estate of defendants and acted as fiscal agne. for the defendants, for which services the defendants expressly promised and agreed to pay plaintiff the reasonable value thereof." The complaint avers the services were reasonably worth the sum of $6,000, no part of which has been paid, atlhough payment has been demanded.

E. Belli and others have commenced an action in the Superior Court against Louis Pupkin to recover the sum of $969.85 for goods, wares and merchandise delivered defnedant during the two years last past.

John L. Beasley has commenced an action for an interlocutory decree of divorce from his wife, Ida F. Beasley on the ground of desertion. The couple was married at Napa on July 17, 1900. Plaintiff asks for the custody of the three minor children.

Henrietta I. Selby and others have brought a suit in equity against Elizabeth Bullitt and others. The purpose of the suit is to secure an order from the court to sell the Selby ranch at Atherton and convert the proceeds into personality. There are 480 acres of land in the tract and it is reputed to be worth $400,000. By the terms of the will of the late Thomas H. Selby, the property was left to his wife to hold and enjoy the profits during the natural term of her life and at her death it was to be divided among his heirs. Mrs. Selby desires an order overcoming that clause in order that she may sell the ranch and convert it into personal property from which she may receive a revenue. There is no income derived from the ranch owing to the high taxes, costs of repairs and the low rent received from farming land. The price of the property has so risen that it would be better to convert the realty into cash, from which a revenue could be received. Mrs. Selby desires that trustees be appointed to handle the proceeds of the sale of the ranch. The court is petitioned to advertise for bids and dispose of property to the highest bidder. The suit is a friendly one as all the heirs have suggested to Mrs. Selby that it would be to the best interests of all concerned to sell the holding. Mrs. Selby who brings the suit is over 90 years of age, and possesses a large fortune in her own right. It is proposed to subdivide the property and sell it in small tracts for home sites in 1915.

Interlocutory Decree Granted.

Judge Buck on Thursday granted an interlocutory decree of divorce to Mary Swinkoski from her husband, Frederick Swinkoski on statutory grounds. The parties were married at South San Francisco on July 3d, 1907. The custody of the minor child, Frederick Swinkoski, aged five years, was awarded to the mother. J. W. Coleberd of South San Francisco was the attorney for plaintiff.

Judge B. V. Sargent, candidate for the Appellate bench, has been endorsed by all the attorneys of the local bar. He was here yesterday and the attorneys unanimously endorsed him for the position. This means a big boost for Sargent, as the attorneys are capable of judging the merits or demerits of the candidate. Judge Sargent has tried many cases here, and the local bar is satisfied with him in his work here.

PENINSULA TO BE BOOSTED BY REAL ESTATE MEN.

Through the invitation of E. L. Hoag of the real estate firm of Lyon & Hoag, a new organization, composed chiefly of real estate men, has been effected for the purpose of advertising the resources of the Peninsula as a counter move to the extensive exploitation of the transbay towns. Among he promoters of the enterprise are the following: Lyon & Hoag, Baldwin & Howell, F. J. Rodgers & Company, Redwood City Realty Company, and a number of other realty dealers, merchants and others who are interested in the development of the Peninsula.

Mr. Hoag was elected president of the new body and will complete its organization in a few days.

The advertising campaign carried on by Oakland, Richmond and other transbay cities has given those points the widest publicity and has brought them direct results of the most desirable character. It was Mr. Hoag's idea to institute a similar campaign in behalf of the Peninsula, and after several conferences with other real estate firms their co-operation was secured and the campaign is now fairly launched.

Local realty dealers, merchants and others will no doubt be invited to become contributing members and they will likely take advantage of the opportunity for such valuable publicity.
